

A father's greatest gift  
to his family  
is the priceless gift  
of his love.

You've always set  
such fine examples  
for the rest of your family to follow.

You show strength  
when it's needed,  
tenderness when it's wanted,  
and humor when  
you just can't keep it inside!

DEC 25/10

Your integrity is like  
a guiding light  
to everyone who knows you.  
You're looked up to  
and admired  
and loved so very much.

Merry Christmas
